

# Save Our Sabinal

**BanderaCanyonlandsAlliance.org**

## Save the Date!

### **Save Our Sabinal Community Information Session**

**Saturday, February 27th  
Sabinal Canyon Senior Center  
(on Main Street in Utopia)  
10 am – 2 pm**

**Open to the Public**

Make plans to join us for this come-and-go event. We'll have proposed wastewater discharge route maps, issue papers, Q&A documents, and background information available in open-air tents outside. Inside we'll have short presentations for anyone who wants to learn more about what Young Life is proposing and the risks it presents to the river and our local economy. We want to keep everyone safe so please plan to wear your mask and practice social distancing. We'll also have online access and assistance for folks who wish to file comments with the Texas Commission on Environmental Quality regarding the permit. Volunteers will be

available to answer questions and to provide assistance. Email us at [banderacanyonlandsalliance@earthlink.net](mailto:banderacanyonlandsalliance@earthlink.net) if you need more information.
